

2026 Boys Concert Requirements

The visual presentation of each student is a huge part of our end-of-year concert. We put in a huge amount of effort to ensure costumes are presented beautifully; it's important that the items you send your dancers to concert with are the correct items and in good condition.

Socks & Shoes

Use the socks or legwear listed for each dance.

Boys are required to wear flesh coloured or white dance underwear.

Backstage Guardians will check shoes at the first rehearsals. Dancewear is available from Bloch, Attitude Australia and online suppliers.

Student Requirements

“Light boys makeup” and “boys makeup” follow the school’s separate makeup instructions. Match white socks with white shoes and black socks with black shoes where either colour is listed.
