

2026 Junior Concert Requirements

The visual presentation of each student is a huge part of our end-of-year concert. We put in a huge amount of effort to ensure costumes are presented beautifully; it's important that the items you send your dancers to concert with are the correct items and in good condition.

Tights and Undergarments

- Buy new tights for the concert. Keep them unworn and unwashed until dress rehearsal or performance; a spare pair is useful.
- Shoes must fit well and be clean and free of holes. Pointe shoes must be clean and not frayed. Break in new shoes indoors before the concert.
- Do not wear ordinary underwear under costumes. Flesh coloured dance underwear or a body stocking is preferred for Grades 1 and 2 and compulsory from Grade 3 upwards. Dance briefs and a crop or a body stocking make quick changes easier. A body stocking is an undergarment and does not replace a leotard backstage, so ensure you dress your dancer with a leotard over their undergarments.

Backstage Guardians will check shoes at the first rehearsals. Dancewear is available from Bloch, Attitude Australia and online suppliers.

Class and dance	Tights	Shoes	Hair and makeup
