

2026 Senior Concert Requirements

The visual presentation of each student is a huge part of our end-of-year concert. We put in a huge amount of effort to ensure costumes are presented beautifully; it's important that the items you send your dancers to concert with are the correct items and in good condition.

Tights and Undergarments

- Buy new tights for the concert. Keep them unworn and unwashed until dress rehearsal or performance; a spare pair is useful.
- Shoes must fit well and be clean and free of holes. Pointe shoes must be clean and not frayed. Break in new shoes indoors before the concert.
- Do not wear ordinary underwear under costumes. Flesh coloured dance underwear or a body stocking is preferred for Grades 1 and 2 and compulsory from Grade 3 upwards. Dance briefs and a crop or a body stocking make quick changes easier. A body stocking is an undergarment and does not replace a leotard backstage, so ensure you dress your dancer with a leotard over their undergarments.

Backstage Guardians will check shoes at the first rehearsals. Dancewear is available from Bloch, Attitude Australia and online suppliers.

Hair and Makeup

- All dances require a ballet bun – slicked back (no parts) and a high bun to sit at the crown of the head.
- Makeup is listed by group below; “JPG” means Junior Performance Group, and Vocational means students in Intermediate Foundation and above.
